

Amendments to the Specification:

The new paragraph after last paragraph on page 2 is removed (the new matter is deleted) in the substitute Specification submitted this time (referring to the substitute specification of both marked copy and clean copy).

The word “novel” in the substitute specification is deleted, and this word “novel” is marked as [[novel]] in the substitute specification of marked up copy. There are occasions (pages 6 & 7) this word was not deleted in the substitute specification of clean copy submitted on August 24, 2005. Applicant deleted this word in a new substitute specification of clean copy is submitted this time.
